

Eco Challenge 8.0 Guidelines for the Online Presence

(Special Category for Talent and Innovation Competition of the Americas)

This document provides the mandatory guidelines for the online presence, those teams who do not follow it accordingly will be disqualified

Online Presence

- The teams can build their website or online presence using any software (DIY, Blogs, Facebook, Instagram, etc.) available online.
- It is not required that teams have their own domain.
- It is obligatory to have the property of all the audiovisual materials used. YABT is not responsible for the images used by the participating teams.
